## SQUADS FORMATS:

We ask all of you to show respect to the bowlers, who have a long travel time to Haarlem, Netherlands, when registering for the tournament. We therefore urge our Dutch bowlers to register for the squad(s) in the first weekend in order to make room for bowlers from the rest of Europe to participate in the 2nd weekend. In order to ensure that all bowlers who wish to play and have the opportunity to do so, the Storm Junior Dutch Open reserves the right to make changes to entries and squad lists until the last day of registration.

## SLOW BOWLING / NO UNNECESSARY DELAYS DURING TOURNAMENT:

The referee will not allow unnecessary delays in the progress of a game.

**One-Lane Courtesy:** To avoid unnecessary delay of squads, we apply a one-lane courtesy. The general rule to be observed is that a player enters the approach and immediately gets ready to execute his/her throw at the moment the player on the lane to his/her right has released his/her ball at the foul line and no player is ready to execute the throw on the lane directly to his/her left.☒

If a bowler refuses to continue with a game after being urged to do so by the tournament director, that game will be considered invalid.
